- Gained hands-on experience in HTML, CSS, JavaScript, and MongoDB
- Developed interactive and responsive web pages following modern UI practices
- Implemented basic frontend logic using JavaScript (ES6)
- Worked on mini projects to strengthen real-world development skills
- Applied debugging techniques and performance optimization
- Used VS Code and browser developer tools for development and testing
- Built a strong foundation in web development fundamentals

Full-Stack Developer Intern

Radical Now Lab | August 2025 –December 2025

- **Engineered** responsive frontend applications using React.js & Next.js
- **Built** reusable UI components and managed state with Redux
- **Integrated** frontend with REST APIs using Node.js & Express
- **Configured** JWT authentication and role-based authorization
- **Enforced** secure access using protected routes
- **Managed** databases using MongoDB & SQL
- **Collaborated** using Git & GitHub
- **Optimized** UI & API performance
- **Followed** Agile workflow and sprint planning

Projects

Role-Based User Management System

- Built a full-stack application with user authentication and authorization
- Implemented JWT login, protected routes, and role-based access
- Frontend built using React.js and Next.js
- Backend developed using Node.js, Express, and MongoDB
- Followed modular architecture and clean code practices

Doctor Appointment Booking Website

Live Demo: <https://dr-chaitra.vercel.app/>

- Designed and developed a single-page doctor appointment booking website
- Built using Next.js and React.js with modern component-based architecture
- Implemented responsive UI for mobile, tablet, and desktop devices
- Created structured sections for doctor profile, services, appointment details, and contact
- Deployed the application on Vercel
- Focused on clean UI, performance, and user-friendly navigation

Elysyal – Service-Based Web Platform

- Designed and built a modern service-based website using Next.js & React
- Created reusable UI components and responsive layouts
- Integrated dynamic sections for services and business info
- Focused on performance optimization and SEO
- Deployed on Vercel
- Followed clean code and modular structure

Education

2020 – 2021	II PUC VIJAYA BIFR PU COLLEGE Percentage : 64%
2018 – 2019	10TH (STATE BOARD OF KARNATAKA) ST. ANTONY HIGH SCHOOL Percentage : 72%
Bengaluru, India	BE DON BOSCO INSTITUTE OF TECHNOLOGY CGPA : 7.6/10

Certification

- Modern React with Redux  -udemy
- Node with React fullstack web Development-udemy
- Web Technologies - eTech Prowess, May 2025
- Basics of Python – Infosys Springboard, July 2024
- TechA Network Hacking Prevention Foundation Certification – Infosys Springboard, Nov 2024

Languages

- English
- Kannada
- Tamil
- Hindi
